PROGRAM AIM

The primary aim of the event YOUTH&IT SDG WALK 2047 is to inspire youth participation in achieving the United Nations Sustainable Development Goals (SDGs) by 2047, aligning with India's vision for a sustainable future. This event aimed to promote awareness among students about environmental conservation, social equity, and innovative solutions for global challenges, fostering a commitment to "Not Me, But You" through collective action and community engagement.

PROGRAM SUMMARY

The National Service Scheme (NSS) Unit of St. Peter's Engineering College (Autonomous) participated in the "YOUTH&IT SDG WALK 2047" on November 1, 2025 (Saturday) at People's Plaza, Necklace Road, Hyderabad. Organized as a youth-led initiative to commemorate progress toward the SDGs, the event brought together students, NGOs, and community members for a symbolic walkathon focused on themes like climate action, zero hunger, quality education, and gender equality.

The walk, themed around "Youth for Sustainable India by 2047," highlighted the role of technology and innovation (IT) in accelerating SDG implementation. Participants marched along the scenic Necklace Road, carrying placards and banners representing each of the 17 SDGs, while engaging in interactive sessions on digital tools for sustainability. Our NSS team joined over 500 youth from various colleges and organizations, starting with an inaugural pledge led by local dignitaries and environmental activists.

The event featured live performances, SDG-themed stalls with quizzes and workshops on eco-friendly practices, and a group photo-op at the

iconic Hussain Sagar backdrop. Students actively participated by volunteering at information booths, distributing reusable bags to promote reduced plastic use, and sharing ideas on how engineering can contribute to SDG targets. This hands-on experience bridged theoretical knowledge from classrooms with practical activism, emphasizing the power of youth in driving India's Amrit Kaal vision for 2047.

The accompanying photos capture the vibrant energy of the walk, including our students chanting slogans for climate justice and interacting with fellow participants.

This event reinforced the NSS ethos by encouraging students to view sustainability not as a distant goal, but as an immediate call to action, integrating technology with social impact for a greener, more inclusive tomorrow.

GUIDANCE AND SUPPORT

This participation was organized under the guidance of college leadership including Sri T. V. Reddy (Secretary), Mrs. T. Saroja Reddy (Academic Director), Mr. T. Anuraag Reddy (Administrative Director), Dr. A. Ramaswamy Reddy (Principal), and Dr. Asam Rajesh (NSS Program Officer).

EVENT HIGHLIGHTS

- Symbolic walkathon along Necklace Road with SDG-themed banners and placards
- Interactive workshops on IT-enabled solutions for SDGs (e.g., apps for waste tracking and education access)
- Pledge ceremony and youth speeches on sustainable development by 2047

PROGRAM OUTCOME

The NSS Unit's participation in the YOUTH&IT SDG WALK 2047 on November 1, 2025, was an invigorating and eye-opening experience that empowered students to embrace their role as change-makers. The event exceeded expectations by not only raising awareness but also sparking innovative discussions on leveraging IT for SDGs, directly aligning with our college's focus on socially responsible engineering. Participants reported heightened motivation to incorporate sustainability into their projects and daily lives, strengthening community ties and preparing them for future advocacy roles. Overall, it cultivated a proactive mindset, bridging youth energy with national goals for a sustainable 2047.
